

The Democratic Party believes that America does best:

- **When each individual American does well**
- **When everyone pulls their own weight**
- **When every person plays by the same rules**
- **When each person has equal access to education, training and advancement**

Democrats exist:

- **To build and safeguard a fair, free and open society**
- **To balance fundamental values of liberty, equality and community**
- **To ensure that poverty, ignorance and conformity enslave no one**
